From: Martha McCinnes, Director, North Central Public Health District
Subject: NCPHD Closed New Year's Day

North Central Public Health District will be closed New Year's Day, Wednesday, Jan. 1. We will reopen Thursday, Jan. 2, for our regular business hours, of 8:30 a.m. to noon and 1 p.m. to 5 p.m. The NCPHD family wishes you and your family a healthy and safe holiday celebration.

The holiday season is also respiratory illness season, and we encourage vaccination against flu, COVID-19 and RSV. Book vaccine appointments with us, at your doctor's office, or at a local pharmacy.

Also, the holidays are a difficult time for many people. If you are having a difficult time, help is a phone call away through the free 24-hour support line, 988.

For more information, please contact North Central Public Health District at (541) 506-2600, visit us on the web at www.ncphd.org or find us on Facebook.)
