Mobile Food Unit: Restroom Agreement

If a unit is parked in the same location for more than two hours, a restroom must be provided that is located within 500 feet of the unit. Mobile units that choose to provide seating for their customers are required to provide approved restroom facilities. The restroom must be accessible for employee/customer use during all hours the unit is in operation per OAR 333-150-0000, 6-402.11(E). If the restroom doors are locked, the mobile unit operator must provide a key to allow customers access upon their request.

Note: Portable toilets will not be allowed as restroom facilities for mobile food units unless they meet the handwashing requirements. The rules require hot and cold water under pressure, soap and paper towels. Hand sanitizer is not an acceptable substitute for hand washing.
