From: Shellie Campbell, Director
North Central Public Health District
Subject: NCPHD Closed Christmas Day and New Year's Day

North Central Public Health District will be closed Christmas Day, Monday, Dec. 25, and New Year's Day, Monday, Jan. 1. We will be open the following Tuesdays for our regular business hours, of 8:30 a.m. to noon and 1 p.m. to 5 p.m. The NCPHD Family wishes you and your family a healthy and safe holiday celebration.

We would be remiss if we didn't note that holiday season is also respiratory illness season, and we encourage vaccination against flu, COVID-19 and RSV. Book vaccines at your doctor's office or pharmacy.

Also the holidays can be a difficult time for many. If you've got the holiday blues, help is a phone call away through the free 24-hour support line, 988.

For more information, please contact North Central Public Health District at (541) 506-2600, visit us on the web at www.ncphd.org or find us on Facebook.)
